MEMORANDUM FOR:

SUBJECT:

Evaluation of the [REDACTED]
Buddhist Studies

Your Memorandum dated 17 October 1967
and Memorandum from [REDACTED]
dated 30 October 1967

1. The attached three studies on Buddhism in Burma, Ceylon, and Laos have been carefully reviewed and are considered to be especially useful to our basic intelligence research. Retention copies of these studies have been requested by the Geography and Editorial Divisions. Therefore, two retention copies of each study for OBGI would be appreciated. If you have a strong desire for very limited dissemination, however, one copy would be sufficient, to be kept on file in the Geography Division.

2. I would suggest the covers of the retention copies reflect the fact that the studies may not be used as attributed source material or otherwise be quoted, as noted in paragraph 2 of your referenced memorandum.

3. I want to extend my appreciation for your making these studies available to OBGI for review and possible retention.
